

# MANISH RAMLANI

Jaipur, Rajasthan | +91-9509471583 | [manishramlani04@gmail.com](mailto:manishramlani04@gmail.com) | [LinkedIn](#)

## EXPERIENCE

---

### WEBITO INFOTECH

*ReactJS Developer*

*October 2024 - Present*

- Assisting in the development of web applications using ReactJS, focusing on component creation and front-end logic.
- Learning to implement responsive design principles to ensure compatibility across various devices.
- Collaborating with senior developers to understand project requirements and improve coding skills

### LEARN AND BUILD

*Data Science Intern*

*July 2023 – September 2023*

- Analyzed large datasets using advanced statistical techniques, leading to actionable insights that improved decision-making processes within the organization.
- Made Recommendations on Improvement based on my analysis

## PROJECTS

---

### Book Recommending System using Machine Learning

- Created a recommendation system using collaborative filtering and content-based filtering techniques, improving user experience by providing personalized book suggestions.
- Implemented the project using Python and popular libraries such as Pandas, Scikit-learn, and Flask for the backend, demonstrating strong programming and analytical skills.

### IoT Based Smart Customized Memento

- Developed an IoT-based memento integrating a temperature sensor and touch control using Arduino, enhancing functionality beyond traditional mementos.
- Programmed the system to display various light patterns (e.g., red for low temperatures) corresponding to real-time temperature readings.

### Tours and Travels Management System

- Designed and developed a full-stack web application using HTML, CSS, JavaScript, providing users with seamless booking and travel planning experiences.
- Implemented a robust backend using MySQL to manage user data, bookings, and travel information, ensuring data integrity and efficient query processing for seamless user experience.

## EDUCATION

---

### Poornima Institute of Engineering and Technology

*2021 - 2025*

- Bachelor of Engineering, Computer Science (Artificial Intelligence)
- Current semester SGPA: 9.3/10

### Vidyasthali Public School

*2015 - 2021*

- Senior Secondary Percentage: 81%
- Secondary Percentage: 79.8 %

## SKILLS

---

**Technical:** Python, Java, SQL, HTML, CSS, JavaScript

**Non- Technical:** Graphic Design, Social Media Management, Digital Marketing, Cinematographer

**Certifications & Training:** [AWS Certified Academy Graduate](#), [Oracle Certified Professional](#), [Microsoft Learn Student Ambassador](#), [Infosys Springboard ReactJS](#)

## VOLUNTEER EXPERIENCE

---

- Active volunteer at Science of the Soul Research Center.
- Member of Vidyanjali – A school volunteer program by Government of India
